

We Know Towing Best

Blaine Brothers is the leader in 24-hour heavy-duty towing and recovery.

Ready to Lend a Hand

Sometimes you need a little extra help getting where you're going. Blaine Brothers towing is available 24 hours a day, 7 days a week. We can assist with local or long-distance heavy-duty towing, accident and rollover recovery, winching and heavy-duty recovery.

Many of our tow operators are Wreckmaster Certified at different levels and have mastered the skills to efficiently and safely complete any towing request or recovery situation.

Proud members of the Minnesota Professional Towing Association. Founded in the 1980's and ensuring owner operators of the towing industry can do their work safely.

Included on the State Patrol call list and represent our area of responsibility.

24/7 EMERGENCY SERVICE

Accidents and breakdowns can happen anytime. Our technicians and tow trucks are on-call after hours and on weekends.

Our towing services include in town, per mile long-distance (over 100 miles out of town), winching, and recovery.
